## N. Favre Announces Candidacy For Commissioner

Nellius A. Favre has announced that he will be a candidate for the office of Commissioner of the City of Bay St. Louis.

It is not my purpose to criticize any previous or present administration for their activities, other than constructive. However, it is my firm belief that considerable improvements are still needed, which have been neglected. I cannot bring myself to believe that it is impossible to bring new industry into this community. The backbone of every community is its industrial background. It is my belief, and it shall be my purpose, to do everything in my power to bring industry to the community, whereby the citizens of Bay St. Louis would be able to find employment at home. It is to be fully remembered, also that ours is a resort community, and we should do everything in our power to bring tourists and vacationists into the community, and thereby bring outside capital to be spent in the city of Bay St. Louis.

## Arnaud O. Lopez

"The People's Candidate"

### For District Attorney

SPECIAL ELECTION

## March 31, 1953

Paid for by friends of Arnaud Lopez

Miss Oyler and Miss Foster are very happy to report that a great number of students from the English Department are showing a great interest in the Bay High contest sponsored by Hancock County. The subject for the essay is "What Soil Conservation Means to Our County."

The Bay St. Louis Youth Center held open house for some 300 A-H Club members Tuesday, March 24.

This group of boys and girls enjoyed television, ping pong, record playing and general relaxation between the many A-H activities that were being held in the Bay High Auditorium. They also brought lunches and were able to buy soft drinks at the Youth Center and therefore had a wonderful time eating their lunches picnic style.

The youth center wishes to extend an invitation to all of these boys and girls and would like to have them come to the Youth Center activities as often as possible.

About seventy boys and girls of Bay High School took part in the A-H Club Rally which was held Tuesday, March 24 in the Bay High Auditorium. We are indeed proud of these club members. Bay High placed third in the A-H Contest. The Clubs being judged on conduct, dress, program and marching.

The scene of a very lovely party was the home of Dr. and Mrs. Walter Hava, Waveland, when Mrs. Hava entertained forty guests for luncheon and cards Friday.

Those invited, assembled on the patio porches of the Hava home, where cocktails were served, preceding the lunch. Tables were laid on the porch, and later cards played there. The setting was exquisite, as the gardens of Dr. Hava have gained more than local recognition.

Following luncheon, bridge, canasta and poker were enjoyed by the ladies present. Prizes for each table were given in addition to an entrance prize.

Competition among the members of the Bay St. Louis Youth Center will be limited to members of the club. The show will take place in the afternoon of the regular meeting and will conclude with the program for the afternoon.

Schedule on notice will be given for the next session of the Bay St. Louis Youth Center.

**Birthday Party**  
When a young lady turns twelve years, something just a little different in the way of a birthday party is in her mind. The little girl is suddenly emerging into the almost mystical realm of being a teen-ager.  
So, Mr. and Mrs. Horace Kergosien departed from the usual house party last Thursday, and invited many of her friends to celebrate at a gay beach party.  
The boys and girls were chaperoned by Mr. and Mrs. Kergosien and their older daughter, Miss Karen Kergosien, and Louis Lucas, a student of Stanislaus.  
A table set up on the sand beach at the head of Carroll Ave held the lovely white and pink trimmed birthday cake. Marshmallows were toasted over a campfire, winners were roasted, and soft drinks completed a perfect repast for such an outing.  
The party, which started early in the afternoon, was enjoyed until dusk.
